Message from Mr Knight

Hello everyone,

What a week it's been. I hope you all enjoyed World Book Day yesterday. You looked absolutely amazing in your different costumes.

So, remote learning on Zoom and Seesaw is now finished – well working from home is finished. I'm sure that you will still be able to use Zoom and Seesaw, but maybe differently. I know that all the staff at school cannot wait to see you all back on Monday. We are so looking forward to it.

It has been a tricky time during lockdown – I know that. But, you and your adults at home have been absolutely fantastic. The work you've done; the engagement that you have shown, and the dedication to your education has made me so incredibly proud. The results are in for the Combos on Reading Plus. The children who have achieved more than 5 Combos will be announced on Seesaw. Also, the overall winner will receive a very special prize.

Your teachers have lots of exciting activities and learning opportunities for you in the next few weeks and months. So make sure that you get plenty of well-earned rest this weekend and we will see you all on Monday morning.

Seesaw Stars

Foundation Stage - Rowan J
Year 1 - Jasmine C
Year 1/2 - Darin A
Year 2 - Harry S
Year 3 - Millie H
Year 3/4 - Logan S
Year 4 - Aubre B
Year 5 - Bobby V
Year 5/6 - Year 5's
Year 6 - Charlie B

Zoom Stars

Year 1 - Elisha C
Year 1/2 - Ellie B-R
Year 2 - Freddy R
Year 3 - Evie B
Year 3/4 - Alfie E
Year 4 - Georgina G
Year 5 - Isla C
Year 5/6 - Year 6's
Year 6 - Harvey F

Loaned devices...

Yippee!!! Remote learning is finished for the time being so please return all loaned devices and dongles on Monday morning. These should be returned to classes at the door so that teachers can mark them off as returned. Thank you.

Foundation Stage—Miss Cowlshaw & Mr Steers

Well Foundation Stage, what a journey we have had! We have reached the end of this period of remote learning and you have all done an absolutely fantastic job! We've seen so much progress from you and you have been on fire with your learning. A huge thank you to all parents/carers for all your hard work with your children's learning and to everyone for sticking at it! We've made it through and we've had fun along the way with laser mazes, silly yoga, science experiments, virtual rollercoasters, trips to the zoo, aquarium and space, and even a pizza party to celebrate the end of remote learning!! We can't wait to see you all in school, have a great weekend and we will see you on Monday :)

Year 2— Miss Henshaw

What an incredible week in Y2! The children have yet again, amazed me with their hard work and determination. I am so proud of each one of them for their efforts and commitments. It has not been easy, but the children have tried so hard to ensure that they continue with their learning remotely. I want to say a huge thank for the parents/carers too for supporting me with the live lessons and assisting with the Seesaw tasks. It has been greatly appreciated. I can't wait to see you all Monday!

Year 1—Miss Bull

This week has been a wonderful end to home schooling, we finished our week with World Book Day and saw so many children dressed as their favourite characters! I am so proud of all the adults at home that have supported the children, myself, and the other parents with technical issues. You have made it an absolute pleasure and the children have worked extremely hard with your support. I nominate Elisha and Jasmine for the star of the week, they have worked incredibly hard on Zoom and Seesaw throughout the entire lockdown.

Year 1/2— Mr Lucas

8 weeks of remote learning and just short of 120 live lessons - boys and girls and grown ups, together we did it! I am so proud of and grateful to each and every one of you. Whether you have been at home or in school- you've done amazing. Now it's back to us to do what we love best - teaching your children in school! Attached are some pictures of our World Book Day costumes - the perfect event for our last Zooms. All's that's left to say is see you all on Monday!

Year 3—Mrs Beckitt

Y3's final week of home learning has been epic! We have celebrated World Maths Day and World Book Day by being game show contestants, going on a numeral hunt in our local area, listening to amazing stories, and dressing up as our favourite characters - the costumes were fabulous! We have also taken part in our 'Remarkable Reading' challenge - finding the most unusual ways and places to enjoy a book! You have all been absolutely fantastic over these past few weeks, and I am so proud of you all. I can't wait to see you all back in school next week!

Year 3/4—Mrs Usman

We've had an amazing week of learning on Seesaw. World Book Day was a superhit with lots of children dressing up. I want to thank everyone for all their hard work and support. We're looking forward to everyone coming back to school on Monday.

Year 5/6—Miss Schofield

What a half term! Year 5/6 have been an incredible class. Myself and Miss Turnbull are unbelievably proud of how well you have worked throughout this lockdown. Coming back to school will be a big change but you guys have developed into emotionally strong children and I am sure you will deal with the changes just fine. Continue to have faith in yourselves and you will blossom.

Year 4—Mr Precious

Year 4 have had a great week making, experimenting, reading and writing this week! They have come up with some great Captain Underpants style stories and have found that the best biscuit to dunk is the Shortbread Finger. (From the ones tested.) Shout out to the World Book Day Characters!

Year 5—Miss Marsden

Well done on our final online learning week. You have all been great throughout, see you all on Monday.

Year 6—Mrs McVeigh

Y6 have finished off their persuasive texts this week and have made dens and drawn characters on potatoes for World Book Day! A great end to our online learning! A big thank you to all the adults at home for the ongoing support throughout and to the children for persevering!
