

PE and Sports Premium for Primary Schools

Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Sports Premium Funding 2020-21

At Goldthorpe we promote and encourage physical activity throughout the school by providing our children with lots of opportunities to participate in Sport and physical activity, with the aim of improving fitness, health and wellbeing and to create sporting habits for life.

Schools are allocated a sum of money, called the Primary PE and Sport Funding to support all children and improve the quantity, quality and breadth of PE and sport provision. The amount is calculated according to the number of pupils.

This year, due to Covid 19 and the need to socially distance, PE and sports activities must take place within the class bubbles only. Class bubble sports clubs may resume after Lockdown.

Total Primary School Sports Grant 2020-21	£18,130
Goldthorpe PSSG Key Objectives	
<ol style="list-style-type: none"> 1) To increase the range of sports activities available to children and to increase participation in competitive sport (in line with Covid restrictions/measures) 2) To provide opportunities for all children to participate in physical activity through structured play at break times 3) For all children to partake in 30 minutes of physical activity in school every day (Including daily class mile) 4) Target least active children and attempt to increase their activity levels 5) To increase the number of children joining a club or participating in a sports competition for the first time and to make this a positive experience 6) To upskill any staff delivering or helping out with any form of physical activity (CPD) 	

Planned Spending of Funding 2020-21
